

GERMAN COURSES

Winter Semester 1.10.2018 – 31.01.2019

Dear students,

Every year the University of Applied Arts and the hufak (student union) are offering German courses for international students. This year Hufak is collaborating with INNES Institute Vienna which is offering courses for all levels in German from A1 to C1. We are very happy that this year we can offer the possibility to choose a course regarding your personal level of German and study with students from different universities.

There are 30 free spots for regular and erasmus students. The free places will be given out on a first come, first served basis.

Students are asked to make an online test through the web page of the school and enroll again using the same page. It is very important that when you are signing up you should use the code **hufak** in the place where you are asked what kind of discount you can get.
